camp partnership program

the program

This is a new opportunity for Christian Church and Para-church Organizations with vibrant, healthy and growing youth programs to partner with us in creating an amazing camp experience!

Our desire is for your group to be able to experience God in an unbelievable outdoor setting over a week packed full of new and exciting adventures! With our dedicated program, facility and skill staff, we can make this a reality!

Partner with us next summer for the best week in your youth groups year!

You bring the campers (max), cabin staff (2 per cabin) and Chapel Program if you wish and we provide the rest!

the benefit

The camp experience is an amazing tool for the spiritual, emotional, and physical impact on youth! Free from daily distractions like cellphones, ipods, team sports, daily rat race of school and life, real impact can be made on growth and character development in the safe, friendly environment of a Christian Camp Experience!

In partnering with us, you can lend continuity between the camp experience and your own year round programming!

the experience

Over 5 full days of camp you and your group will experience great food, activities, and facility tailored to your groups specific needs and requests while giving you an unforgettable Bird River Adventure! From wide games that stretch your groups teamwork abilities to fun, action packed skill sessions, each member of your group will love the excitement of a week in the beautiful Canadian Shield! Activities and skill sessions include: rock climbing, water-skiing and wakeboarding, flatwater canoeing and Kayaking, arts and crafts, hiking, mountainbiking, skateboarding, tubing, swimming, campwide games, field games, basketball, volleyball, soccer, campfire, and many new and exciting activities planned each year!

the purpose

Our purpose in bringing this camping experience to you is to further the Kingdom of God! We feel that the best way for us to do this is to provide the place and the program for you and your leaders to develop, grow, change, and build life altering character in themselves and into the campers they lead! This also provides your group a great opportunity for outreach into your community as camping is a non-threatening experience!
