Bird River Bible Camp is owned and operated by Bird River Camping Inc. and is a registered not-for-profit charity with the Government of Canada. We are always working toward a more efficient way in which you, a friend of Bird River, can be involved with this exciting ministry opportunity. Currently we are offering Visa and Mastercard as a way which you can donate. Visit canadahelps.org, a not-for-profit business that takes online donations for charities in Canada and you will receive a tax deductible receipt from canadahelps.org immediately by e-mail. **All donations** received by the camp office over \$10 will be receipted for a tax deductible receipt at the end of each year.

Spring 2008

The End Is In Sight... or Perhaps Only The Beginning

Warm, its coming, as I look outside and see the snow beginning to disappear, I am reminded of the beauty that god is preparing for us when everything begins to turn green and the flowers pop out! Hearing the geese travel through is a welcome noise and seeing an eagle the other day was truly an uplifting experience. All of this is God's way of letting all of us in camping ministry that in only a few months, we will be up to our ears with campers and before we know it, summer will have slipped away again and we will be able to reflect on all the amazing things God is planning for our season!

It seems a bit ahead of things to already be thinking of after summer so I will back track a bit. After all, spring only marks the beginning of the season we work all year to prepare for! Over 700 campers again this summer, wow, lots of work ahead. Pray that by September we will have the energy to reflect on all the exciting happenings that are coming for the summer of 2008!

Congratulations Amanda and Devon!

As some of you know, Amanda Mitton, our Office Administrator and her husband Devon were expecting and on March 25, Micah David Mitton was born.

New Office Location

Our Office has moved! After much deliberation and prayer the decision was made to move the office on site. Many years have been spent commuting both people and information back and forth from the site to a Winnipeg location and with Ronnie Dyck taking over the administrative duties Amanda had left, it made perfect sense to consolidate our efforts to the Camp!

I am already seeing some of the benefits of being able to work in the office alongside the office person! I am excited about going into summer with all of the pertinent information needed to run camp efficiently right here on site easily accessible to those who need it!

Pray for Ronnie and the rest of the Bird River Staff as there will always be some growing pains along with a move such as this.

Visit Eikona.birdriver.net for more information on this amazing new 30 week discipleship program for students age 18-25!

Bird River Bible Camp is an accredited member of:

Remember BRBC in your Prayers!

Website Stats!

In the last 5 years, we have been developing a website to serve some of our campers, staff, alumni, and retreat groups and it is becoming a valuable marketing tool for us. Not only is there an abundance of information on everything from our vision and goals to privacy policies and project lists, but most of our brochures and applications are also online. As well as the main site we also maintain a Bird River Bible Blog accessible from the site! Stay in touch at www.birdriver.net

Your Quest Begins Summer 2008!

Contact us now for your summer camp brochure. It is also available for download at birdriver.net! This summer come find the hidden treasure through many different fun activities like rock climbing, waterskiing and wakeboarding, hiking, canoeing, archery, tubing, beach volleyball, basketball, soccer, arts and crafts and much more!

Be sure not to miss out on this great opportunity for loads of fun and make sure you get to take the hidden treasure home this summer!

Road Rally? What's that!?!

Bird River is holding a Road Rally on June 21 to raise funds for the camp! If you enjoy riding your motorcycle, driving your classic car or just going for a tour, this event is for you. Register you, your riders, and your vehicle, get sponsorships from your friends, neighbours and co-workers and on June 21 join us on a scenic drive to camp for lunch and back to the city for a celebration dinner and prizes! The day is sure to be a hit so don't miss out! We will also be offering spaces on our bus so if you don't drive anymore you can still participate in the event! Check out the website!
